

DECLARATION FOR PATENT APPLICATION AND POWER OF ATTORNEY

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or the original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled

ELECTRICALLY-HEATED CHEMICAL PROCESS REACTOR

the specification of which is attached hereto.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims;

I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulation, §1.56.

If this application is a continuation-in-part application filed under the conditions specified in 35 U.S.C. §120, I acknowledge the duty to disclose to the Office all information known to me to be material to patentability as defined in said §1.56, which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under Title 35, United States Code, Sec. 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

Prior Foreign Application(s): None
(Number) (Country) (Day/Month/Year Filed)

0976081.01201
"CCTO" T8009450

POWER OF ATTORNEY

As a named inventor, I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith:

Paul L. Sjoquist (Reg. No. 25,207).

Send correspondence to:

Re. Appln. Of : Gary J. Hanus and Stuart J. Olstad
For : ELECTRICALLY-HEATED CHEMICAL PROCESS REACTOR

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

SMALL ENTITY DECLARATION BY SMALL BUSINESS CONCERN

A small entity status is hereby established in the application for U. S. patent herein identified for the purpose of paying fees, as follows:

The undersigned small business concern currently has or is entitled to certain rights in said patent application and the inventions therein, and

The undersigned small business concern does not have more than 500 employees, including those of its affiliates.

The undersigned small business concern has not assigned, granted, conveyed, or licensed, and is under no obligation to assign, grant, convey, or license any rights in the invention to any person or business concern, and is qualified as a small entity pursuant to 37 CFR 1.27, and claims small entity status.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
